“New doctors came into the practice and have been treated by both of them. Almost a pleasure to visit the GPs now. One of the new GPs has been exceedingly helpful to my husband.” “I had a telephone consultation with Dr Sayanthan, He was able to identify over the phone that I was very ill and asked me to come in urgently. When I arrived he was already dealing with an emergency. I waited for a while but once seen he was focussed, undertook necessary checks and assessed that I was very ill. Arranged an ambulance to get me to A&E. Excellent service/very attentive.”
